

E-Z **INSTRUCTIONS**

Installation for Double Pole Bracket EZ971-6'4" EZ973-7'5"

Parts Included:

2- Steel Pole Straps

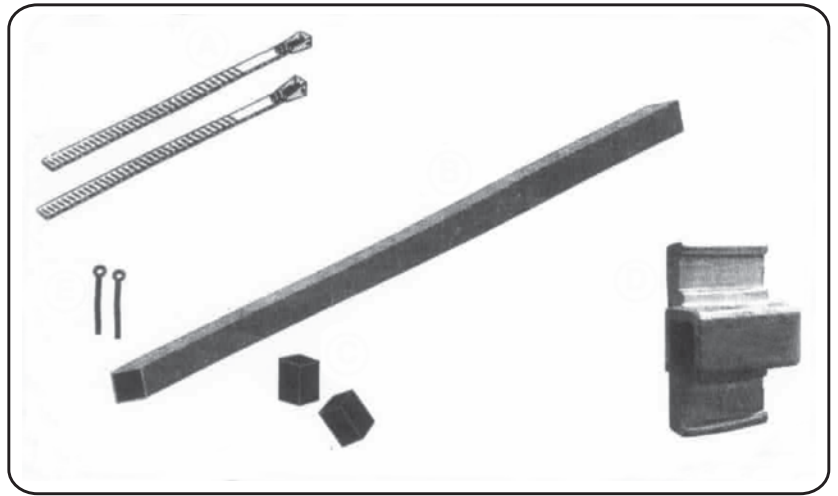

(fits up to 8" diameter)

1- Square Shaped Pole

2- End Caps

1- Pole Bracket

2- Fastening Pins

If banner stretches or develops slack, make sure straps are tight. Lower bottom bracket to tighten display!

Instructions:

Step 1: Insert pole into bracket; then insert Fastening Pins to both sides to prevent pole from moving.

Step 2: Tighten Pole Straps around bracket and pole.

Step 3: Place the End Caps on the end of the poles.

Step 4: Slide banners or flags onto top poles and repeat Steps 1-3 for bottom poles.

***On smaller diameter poles, straps can be double wrapped.**

*** For extra support, extra straps can be purchased.**
