

BUYERS GUIDE POUCHES EZ233

Re-Usable Plastic Bags for Holding Used Vehicle Buyers Guide Forms

1. Place “Wire Stiffener” at bottom of bag
2. Insert Buyers Guide Form into bag
3. Insert suction cups into two holes at the top of the bag
4. Plastic clips may be attached to the back of the suction cups to help hold the bag
5. Attach to inside of the left rear side window (suction cups should be moistened for maximum adherence)
6. To facilitate suction cup removal, “break” the suction with your fingernail
