

E-Z 704 - RAISED LETTER LICENSE FRAMES

Orders are subject to an overrun/ under run of 10% charged accordingly \*Production time is approximately 3-4 weeks \* Important Fit Information: We are not responsible for fit or coverage problems. Always check frame fit on car as well as license plate to insure style is acceptable. Samples are available upon request.

Most states can use our standard frame. However, some states require a "high-view" frame due to the placement of registration tags on the license plates. Please note that the minimum order for a high-view frame is 500 and there is a one time die charge of \$80 regardless of quantity ordered.

Frame Style: Do you want a "Standard" style or "\*High-View" style frame? \_\_\_\_\_ \*This style incurs an extra die charge.

Frame Color: Black [ ] White [ ]

\*White frames cost more due to the addition of ultra violet inhibitor used to prevent yellowing
